

SHOP AND EAT BY THE COLOUR

Crop Harvest in Spain

IES. AL-BASIT (Albacete.- SPAIN)

Course 2013-2014

**PROGRAMA COMENIUS PROJECT
SHOP AND EAT BY THE COLOURS**

The Department of Geography and History from IES. AL-BASIT, formed by M^a Teresa Cruz Manzanero and Miguel Angel Orenes Delgado, is working in two activities for the meeting in Albacete next year.

First activity: (To carry out within the High School)

PRODUCT BY THE COLOURS

Our pupils are working in the elaboration of some curtains with maps, explanatory texts and photos related to the production of own crops of Spain, such as cereals, grapes, olives, garlic, saffron and so on.

All the information will be exposed during the days of the meeting. About it, there will be a quiz in which all the pupils in Comenius and the students in High School may participate.

Finally, it will be the sharing.

Second activity: (To carry out outside the High School)

TRIP TO CUENCA

We will visit the Sciences Museum, Old Town and the Cathedral, the first sample of Spanish Gothic.

We send you greetings to all of you.
