B: to be shown at the Food Fair on Thursday
2. Ideas for **communication games** based on the *Eating by the Colours* presentations (to be shared and tested on Tuesday and used at the Food Fair on Thursday, or to be used in future workshops with the children) – better if you can send them before coming to Italy

4. Your translations for the Seven-language Glossary (I have sent you a draft earlier)
5. Draft list and map of your country/area “colour” producers – if available
